

JWBS-16B, 16" Bandsaw

Product Images

Description

The one-of-a-kind JWBS-16B 16" Bandsaw with TSC has a triangular design that provides superior column rigidity. The triangular column keeps the bandsaw from flexing as it tackles tough applications. The JWBS-16B is packed with features such as the European style adjustable carbide blade guides, 8-spoke precision computer balanced band wheels, dual locking cabinet doors, blade tracking adjustment window, and micro-adjustable lower blade guide.
