

# PH-24T, 24" Planishing Hammer

## Product Images

---

## Description

---

JET's 24" Planishing Hammer has a quick change set up on the upper dies and a deep throat that works to the middle of most panels. The head with 3-speed regulator is capable of 4,400 – 4,800 / 3,200 – 3,500 / 1,800 – 2,000 blows-per minute (BPM). Easy to-reach, adjustable flow control valve allows the user to deliver the proper BPM needed for any job. Operates on standard shop air.
